11 JULIUS CZUDAR,

12 Plaintiff,

13 vs.

14 PRO-VIGIL, INC., a foreign Corporation  
15 headquartered in Texas,

16 Defendant.

Case No.: 2:19-cv-01784-GMN-NJK

**AMENDED STIPULATION AND ORDER  
TO EXTEND DISCOVERY AND  
DISPOSITIVE MOTION FOR  
DEADLINES**

**(Fifth Request)**

17 IT IS HEREBY STIPULATED by and between Plaintiff Julius Czudar (“Plaintiff”),  
18 through his counsel Mullins & Trenchak, Attorneys at Law, and Defendant Pro-Vigil, Inc.,  
19 (“Defendant”) and (collectively referred to as the “Parties”), by and through their respective counsel  
20 of record, hereby stipulate to extend the deadline to complete discovery and file dispositive motions  
21 in this case, and agree as follows:

22 1. On February 28, 2020, this Court entered an Order granting the parties first request  
23 to extend the Discovery Plan and Scheduling Order. [ECF #20]

24 2. On July 23, 2020, this Court entered an Order granting the parties second request  
25 for extension and extended all Discovery Deadlines by 120 days. [ECF #34]

26 3. On November 23, 2021, this Court entered an Order granting the parties third  
27 request to extend the Discovery Plan and Scheduling Order [ECF No. 38]  
28

1           4.       On February 18, 2021, this Court entered an Order granting the parties fourth request  
2 to extend the Discovery Plan and Scheduling Order [ECF No. 43]

3           5.       This is the fifth request by the parties to amend the Court's February 28, 2020  
4 Scheduling Order.

5           6.       The parties stipulated and agreed to extend the discovery and dispositive motion  
6 deadlines for thirty (30) days as necessary to allow for completion of witness depositions.

7           7.       The parties have been diligent but given the pandemic there have been mandated  
8 closures, witnesses are unavailable and/or have limited availability, there has been remote and/or  
9 limited access to information, and counsel for the parties have both had medical issues.

10          8.       Plaintiff's Counsel's office had a case of Covid-19 on his staff which necessitated a  
11 second shutdown of his business operations which followed the initial shutdown.

12          9.       The parties were forced to continue the initial ENE session because Plaintiff's  
13 Counsel was hospitalized for four (4) days with shortness of breath.

14          10.      The ENE session was extended until May 20, 2020, in an attempt to resolve the  
15 underlying lawsuit without necessitating the need for further litigation.

16          11.      Plaintiff's Counsel had surgery on September 3, 2020.

17          12.      The surgery left Counsel in a cast for nine (9) weeks.

18          13.      Plaintiff's Counsel was unable to walk without the assistance of crutches through  
19 the month of December, 2020.

20          14.      This unforeseen medical emergency created additional delays in answering written  
21 discovery and working with Plaintiff.

22          15.      Plaintiff's Counsel was forced to close his office in December once again because  
23 of a positive Covid-19 test by someone that lives in his home.

24          16.      Plaintiff's Counsel suffered delays in his other litigation and the immediate case at  
25 hand. He recently submitted supplemental discovery requests and the parties are currently in the  
26 process of scheduling depositions for witnesses located out of state.

27          17.      Defendant's counsel also has an immediate family member who was in the Intensive  
28 Care Unit the first week of April 2021 and remains hospitalized.

18. This Request is not for the purpose of delay and is made in good faith.
